Departs—9:05 A. M. and 4:30 P. M.

## STEP RIGHT UP AND GET YOUR COMPLIMENT.

1. The Port of Embarkation at 10:30 Sunday morning shipped us five hundred patients. They arrived here at 1:15 P. M., all in good order and well tagged (Newport News take our warm hand of thanks in yours. THIS IS SERVICE and D-Barker please copy.)

2. CUT FLOWERS OR BON BONS. WHICH DO YOU PREFER? Glory and laurel to the receiving detail in the Red Cross Building, whose personnel is as follows: Sgt. 1st Cl. Durrance, Sgt. Neely, Sgt. 1st Cl. Camman, Sgt. 1st Cl. Bowen, Pvt. Marroney, Pvt. Geo. Hartley and Cpl. McCune. We'll say nimble brain and fingers for all these men. They registered five hundred patients in an hour and a half. We have hopes of a better record when Sgt. Bowen gets there on time.

3. ANYTHING WE HAVE EXCEPT AN EARLY DISCHARGE. The ward surgeons "hit 'em high and far." All classifications were in by 8:30 P. M. Sunday night and very correctly done, too.

4. TO THE GENTLE SLOPERS YOUR CHOICE OF PRESENTS, EXCEPT OFFICERS PRESENCE IN RECREATION BUILDING. Efficiency throughout the nursing organization made the admission and classification the success it was.

5. ENLISTED PERSONNEL acting as orderlies, ward men, ambulance helpers; etc., "hit the ball on every pitch."

6. THE FIRST SHALL BE LAST. The Motor Corps of Richmond and the Red Cross have been so constantly high class in their work that their invaluable help of yesterday can suggest no warmer en-

conium than an expression of deep gratitude from the Post to them.

## WHICH SUGGESTS

The answerless question—"What the great horned spoon would D-Bark V2 have been without the Motor Corps and the Red Cross?"

## NOT TO MENTION

Our five hundred new patients who seem to be not only nice fellows, but willing to follow our suggestions and with "Smiles, smiles, smiles."

## GOLD STRIPERS!! STOP, LOOK AND LISTEN.

YES! GOD'S COUNTRY where "Every man is on our police force, nail that piece of paper," where we are out to put this spot upon your memory map forever by SERVICE: where that service is sold to you at the ridiculously low figure of a little courtesy and obedience to our few rules. Herein is our "Cook's Guide" of the coming week.

IF YOU WANT sweaters, crutches, comfort kits, scarfs, tobacco, shaving soap, socks, tooth brushes, tooth paste, cigarettes, pipes, canes, gum, wristlets, cigars, handkerchiefs, safety razors, WHY THEY CAN BE HAD THROUGH YOUR HEAD NURSE OR WARD SURGEON WHO ARE ACTING AS DISTRIBUTING AGENTS FOR THE AMERICAN RED CROSS. THANK THE RED CROSS.

(These are to be paid for by mere matters of courtesy to officers and proper policing of your beds, wards, buildings and person. OH! YES! WE FORGOT, that telegrams, stationery and communication home are also furnished.)

AND, "PRETTY SOFT, WHAT???" Tuesday night Mrs. Massey's committee gives a dance at the Red Cross Building; Wednesday night the Y. M. C. A. gives a popular entertainment in the Red Cross Building; Thursday night a BIG DANCE for ALL enlisted men (Medical, Q. M., M. T. C., please note).

HALT! ATTENTION! A GIGGLE EVERY MINUTE! Friday night K. of C. entertainment and "songfest" (inside tip) a certain song leader known as "Pop Driscoll" of Camp Lee, will lead the "sing"

in our own highly dignified verbiage he is a riot, a knockout, and a bear. Grab this big fellow off, he's about the best you ever saw,

HER NAME is—we mean the nurse that wrote up Friday's ball game—that is before she was married—MADALINE MYRTLE McSPEAK from Battle Creek. Miss McSpeak has been signed by this paper to "do" our athletics. She is married and prefers not to give the name she is known by on this Post. We had a note from her this morning as follows:—"I am so happy the great, strong men liked what poor little me wrote about them. When they have another game I want them to have the baseball floor dry or else get some rugs from Mr. Johnson. My! isn't he handsome. Won't Capt. Kenworthy be a dear, and let Capt. Ware play? He is such a "ducky." Da, da coo-fee don't forget you promised to dance with me.

Yours to the last hair pin,  
Mrs. —, nee Madaline Myrtle McSpeak,  
Battle Creek.

Sympathetic Friend: "How do you feel now, Ed?"

Seasick Soldier: "Don't ask me; but if you know any guy that wants the freedom of the seas, tell him he can have it. I ain't got no use for it."—Harper's Magazine.

SEE YOU TOMORROW.
